SPECIAL BULLETIN

North Adelaide Gala Day

Friday 21st April 2023 and North Adelaide Croquet Club held their Gala Day for 2023.

There were 32 players who nominated and all played.

Members of the Club did a marvellous job of planning organising and conducting the day. Other members assisted with the meals and coffee breaks. Three games were conducted in the morning session followed by lunch. Lunch was sumptuous with too much to choose from. Soup followed by Quiche, salads, sandwiches pies and pasties and cheese and salami. Colin, Susan, Gloria and Roger from Club Holdfast attended. The raffle was drawn prior to sweets and Roger Zeuner won a prize in the raffle. Dessert followed and once again too much to choose from, but all looked and tasted delicious. After a couple of wines, I thought that I could play better. The final round was then held and scores recorded. There were players from ten croquet clubs in attendance. The weather was clear with blue skies and their four greens were picture perfect. You could not have had a better day weather wise. All present were full of praise for the day and the day set a high bar for our club to better. After the final game the winner and runner up were presented with their prizes. Roger Zeuner from Club Holdfast was runner up and on a close count back, Susan Dunsby from Club Holdfast was the winner. Congratulations to Susan and Roger.

Well Done to all organisers and players.

Roger Zeuner. Reporter.

Congratulations to all who participated on this day. Well done to all!

Our club is well presented at Gala Days with multiple successes. Other regular Gala Day players including Colin, Jân, Marion, Paul and Lis have also been among the trophy winners at previous Gala Days.

Gala Days are fun days where you get a chance to visit other clubs, associate with other croqueters. If not attended one before consider entering. You may be a winner too!
