DIARY DATES

There are a number of functions between now and Christmas that need support in both attendance and assistance. In particular our two major club functions this

year are the Red Hatters Social Club function on Wednesday 21st November and the Holdfast Bay Gala Day on Monday 26th November. We rely on members' support to ensure that these functions are a success.

We require at least six people for catering and help in the kitchen. It is only two hours of your day and this helps the croquet club immensely. Offers of contributing salads or sweets for the functions are needed. Even if you can't help on the day you can donate a salad and/or sweets. By making these functions a success this demonstrates that we are a close knit, professional club and that its members can be proud of being a part.
